Tony Douglas, Youth of the Year chair-<ref>man for the Chiltern Lions Club, pre-<ref>sent a certificate of participation to Rutherglen High School congratulating all participants in distinguishing themselves through making an extra effort. Tony would also like to encourage all students to consider the Youth of the Year program in preparation for public speaking, and those all-important inter-<ref>view skills. More information regarding this program will be in this newsletter later in the year. Watch this space!</ref>

**The Vine Restaurant**

We will be re-opening this Term!

**The Vine** will be open two times this Term with students cooking and waitressing with their teachers Mrs Rasmussen & Mrs Foster, and Mrs Skate’s help. It will take the form of an a la carte menu, kids menu and drinks (mocktails & softdrinks) available at reasonable prices. The nights that we will be open this Term are: Wednesday 9th of March and Thursday 31st March. We are open from 6pm ‘til 9.30pm.

Please ring and make a booking at the school office. Bookings are essential as numbers are limited.

Ph: (02) 6032 9483

Please note: we will only be accepting cash on the night, or gift vouchers.

**School Council Family BBQ**

The Annual Family BBQ went ahead last Thursday and although the weather looked problematic during the day, it cleared up nicely for the BBQ. Ron Webb and the Year 9 students operated the BBQ and Peter Scott and some of our Instrumental Music students provided the entertainment.

It was good to meet a number of existing and new families in a relaxed atmosphere. Education is a partnership between school and home and for teachers and parents to be able to meet and mingle informally hopefully makes it easier to establish and maintain lines of communication during the year.

**School Council**

School Council is a very important way in which parents can provide their viewpoints and help shape the direction of the school. Notices concerning the School Council Election appear in this newsletter. Please consider nominating for a position on School Council.

**Swimming Sports**

The school House Swimming Sports were held on Tuesday 22nd February. The day was very well organised by Claire Megarrity and Brooke Rasmussen with support from the Rutherglen Swimming Club and Ray Terrill.

Congratulations to all those who attended and participated especially to the age group champions. Congratulations also to the winning house Mitta who led all day and scored points in virtually every event. A truly team based effort.

**Alpine School**

Our six Alpine School students have settled in well and have been very active, even organising activities on their day off! One recent activity involved building structures to cross a creek. Apparently they really enjoyed the challenge and worked very well as a team.
School Council Election Information
2011

What is a school council and what does it do?
All government schools in Victoria have a school council. They are legally formed bodies that are given powers to set the key directions of a school within centrally provided guidelines. In doing this, a school council is able to directly influence the quality of education that the school provides for its students.

Who is on the school council?
There are three possible categories of membership:

- **A mandated elected Parent category.** More than one third of the total members must be from this category. Department of Education and Early Childhood Development (DEECD) employees can be Parent members at their child’s school as long as they are not employed at the school.

- **A mandated elected DEECD employee category.** Members of this category may make up no more than one third of the total membership of school council. The principal of the school is automatically one of these members.

- **An optional Community member category.** Its members are co-opted by a decision of the council because of their special skills, interests or experiences. DEECD employees are not eligible to be Community members.

The term of office for all members is two years. Half the members must retire each year, creating vacancies for the annual school council elections.

Why is Parent membership so important?
Parents on school councils provide important viewpoints and have valuable skills that can help shape the direction of the school.

Those parents who become active on a school council find their involvement satisfying in itself and may also find that their children feel a greater sense of belonging.

How can you become involved?
The most obvious way is to vote in the elections, which are held in Term 1 each year. However, ballots are only held if more people nominate as candidates than there are positions vacant.

In view of this, you might seriously consider

- standing for election as a member of the school council
- encouraging another person to stand for election.

Do I need special experience to be on school council?
No. What you do need is an interest in your child’s school and the desire to work in partnership with others to help shape the school’s future.

What do you need to do to stand for election?
The principal will issue a notice and call for nominations following the commencement of Term 1 each year. All school council elections must be completed by the end of March.

If you decide to stand for election, you can arrange for someone to nominate you as a candidate or you can nominate yourself in the Parent category.

DEECD employees whose child is enrolled in a school in which they are not employed are eligible to nominate as parents for the school council where their child is enrolled.

Once the nomination form is completed, return it to the principal within the time stated on the notice of election. You will receive a Nomination Form Receipt in the mail following the receipt of your completed nomination.

If there are more nominations received than there are vacancies on council, a ballot will be conducted during the two weeks after the call for nominations has closed.

Remember

- Ask at the school for help if you would like to stand for election and are not sure what to do
- Consider standing for election to council this year
- Be sure to vote in the elections.

Contact me for further information.

Regards

Phil Rogers
Principal
Schedule 4  Notice of Election and Call for Nominations

An election is called for members of the School Council of Rutherglen High School.

Nomination forms may be obtained from the school and must be lodged by 4 pm on Monday 7th March 2010.

The ballot will close at 4 pm on Tuesday 15th March 2011.

Following the close of nominations, a list of nominations received will be posted at the school. The terms of office, membership categories and numbers of positions in each membership category open for election are as follows:

<table>
<thead>
<tr>
<th>Membership Category</th>
<th>Term of Office</th>
<th>Number of Positions</th>
</tr>
</thead>
<tbody>
<tr>
<td>Parent member</td>
<td>From the day after the date of the declaration in the poll in 2011 to and inclusive of the declaration of the poll in 2013.</td>
<td>3</td>
</tr>
<tr>
<td>DEECD employee member</td>
<td>From the day after the date of the declaration in the poll in 2011 to and inclusive of the declaration of the poll in 2013.</td>
<td>2</td>
</tr>
</tbody>
</table>

Note: outgoing School Councillors may re-nominate for a further two year term on School Council.

If the number of nominations is less than the number of vacancies, a notice to that effect and calling for further nominations will be posted in a prominent position at the school.

Phil Rogers

Principal.

Principal.
Week 1— Cyber Safety

Welcome to new students and parents at Rutherglen High school. My days at the school this year will be Monday and Thursday. I thought that it would be appropriate for this year’s first newsletter article to have a look at the laws with regard to cyber bullying as we have been conducting education sessions in conjunction with Senior Constable Kevin Mack from Wodonga.

Cyber-bullying can include taking photos or videos with your mobile phone, posting information, videos or photos online, distributing negative messages amongst friends, making threats, tricking someone as to your identity, online stalking, or spreading personal information. Bullying that previously may have taken place in a school situation can now occur almost anywhere due to the availability of internet and mobile phones. Bullying can occur 24 hours of the day and because the bully thinks that they may be anonymous and cannot see the impact it may be having on the other person it can easily get out of hand.

The law with regard to young people and cyber issues especially sexting, has recently changed and it is now an offence for a young person to take, send or receive sexual images of a minor. This could mean that a young person might possibly have a permanent criminal record on the register of sex offenders if they are found to have child pornography on their phone or computer. This could also affect their career options and ability to travel.

Next week we will look at what families can do to help keep students safe online and what is available if a problem arises.

---

SCHOOL SHOES...

Parents are reminded that shoes must be solid black, worn with plain grey or whites socks; no insignias or colour.

Recommendations On Footwear For School Children

(Australian Podiatry Asn)

We need to consider the requirements for the foot in respect of support, growth, development and hygiene.

Support—Shoes need to have firm support at the heel and many shoes available do not have adequate reinforcement in this area. If it is possible to fold the back of the shoe down to the sole when it is new, the shoe is not adequate to provide the required amount of support. This can lead to early destruction of the shoe, or may cause problems to a foot that functions poorly.

Growth—Children’s shoes need to be carefully fitted to ensure that there is enough room to allow for growth without putting their feet in shoes that are too large to allow proper function of the foot. 'Handed down’ shoes may exacerbate foot problems, so this practice is not advised. A properly fitted shoe will hold the heel at the back of the shoe with either lacing or a strap while allowing adequate room for the toes to move.

Recommended Shoes

The Podiatrist can treat these problems of the feet as well as offering professional advice on footwear and foot support.

- Leather lace up with firm heel support and flexible soles
- Leather sandal with closed heel
- Sports shoes with leather and nylon upper or non plasticised leather upper.

---

FOCUS ON EARLY INFORMATION SESSIONS FOR TAFE AND UNIVERSITY

It is never too early to start considering your future career directions. Making decisions about what you would like to study after school can be both stressful and exciting. Many students often feel lost about what they would like to study and many feel like they don’t know where to start!

There are so many things to consider—complete year 12 or leave early? Tafe or University? Have a gap year or go straight into further study? Can I afford to move away if I can’t study locally?

For students and their families who haven’t been to a University or Tafe information session, there are even more questions—where can I study the course I am interested in? How do I choose between several courses across several institutions? How much will my course cost? How do I find out about scholarships? What do I do if I don’t get the ATAR I need? What is University and Tafe actually like?

These decisions can be difficult to make, and then you have the added pressure of focusing on your studies and other commitments like sport and employment.

Not only can it be tough for students, but also for parents! Where do we access information? How do we best support our child? How can we afford the costs associated with further study? Will Youth Allowance and HECS-HELP be available?

Apart from meeting with your career adviser early in the year, it is a great idea to attend information sessions run by tertiary institutions. Many run focus days and information seminars throughout the year, and all run Open Days in August.

By attending information sessions— you and your family will be able to do the following:

- Speak directly to current students and lecturers and hear about their experiences
- Attend workshops and sessions on the courses you are interested in
- Look around the campus and get a feel for the culture of the institution (i.e., does it have a modern or traditional feel? Do you think it would be easy to meet people? Would you prefer to study at a small campus or a large one?)
- Learn about scholarships, course costs, government fee assistance, global exchange and accommodation options
- Ask about alternative pathway programs available as a back up in case you don’t get the ATAR you need for your course
- Attend workshops and sessions on the courses you are interested in and compare facilities and students services between institutions.
- Attending information sessions will assist you in setting new career goals or firming up ideas you already have.
- Having a course or courses in mind can also assist you in feeling more motivated to work hard at school.

Generally information sessions are free and you have to register. Start to map out session dates on a calendar and pick the ones you will be able to attend. Here are some tertiary information programs to get you started:
FOCUS ON EARLY INFORMATION SESSIONS FOR TAFE AND UNIVERSITY

University of Melbourne - ‘Meet Melbourne’: sessions will be held in various locations across Victoria between March and August. To find out when the closest Meet Melbourne seminar is being run, go to www.futurestudents.unimelb.edu.au/events

University of Melbourne - ‘Access All Areas’: sessions are run on campus and are for year 12 students only. The first session will be held Friday 15 April at the Parkville Campus. Contact www.futurestudents.unimelb.edu.au/events for more information

Swinburne University of Technology - ‘Swinburne in Focus’: seminars usually run at their Hawthorne and Lilydale campuses, however, no dates have been released for 2011 yet. For more information go to www.swinburne.edu.au/infocus

Charles Sturt University - ‘MyDay’ CSU: will showcase over 40 courses on various dates up until June. February and March events are as follows: 25 February at Orange-Dentistry, Physiotherapy, Pharmacy, Health and Rehabilitation Science and Clinical Science. 8 March at Wagga Wagga- Teaching and Education. 10 March at Albury Wodonga- Environmental Science. 15 March at Bathurst- Journalism, Public Relations, Theatre Media, Advertising and Commercial Radio. 29 March at Bathurst- Nursing and Clinical Practice (Paramedics). To register, contact Judy Walsh at infoevents@csu.edu.au 02 6338 6010

La Trobe University - ‘Talk and Tour’: held on Friday April 15.

Monash University - ‘At Monash Seminar Series’: showcases different faculties within the University. The seminars run over several months and students have to book in advance. Dates for 2011 have not been released yet. Check the following link for updates: www.monash.edu.au/study/events/atmonash

Deakin University - ‘Discover Deakin’: events run at different campuses over several months. Dates for 2011 have not been released yet. More information will be released in future newsletter.

Considered pursuing a career as a Veterinarian? The University of Melbourne are hosting their annual Veterinary Science Open Day on Sunday 27 March at their Faculty of Veterinary Science, Werribee Campus. This day provides prospective students and their families with the opportunity to learn about pathways into the Doctor of Veterinary Science program. You will be able to go ‘behind the scenes’ of the Veterinary Hospital in Werribee and get involved in interactive activities. Location - University of Melbourne Veterinary Hospital, 250 Princess Hwy, Werribee, Vic. Register your attendance at www.vet.unimelb.edu.au/openday

Folio Preparation Courses: Some TAFE and University courses require you to have a portfolio as part of their selection process. The RMIT Folio preparation programs cover areas such as Graphic Design, Graphic Arts, Interior Decoration, Visual Merchandising, 3D Product Design, Fashion Design & Drawing, Studio Textiles & Design and Visual/ Fine Art. The programs range in cost and are held at various dates over the year. For more information, go to www.shortcourses.rmit.edu.au

Calling all tech savvy girls! Robogals members train female university students in robotics and then send them into primary schools to teach girls about careers in science, technology and engineering. If you are in primary or secondary school, you can join the ‘Little Engineers Digest’ which is a monthly newsletter that contains information about the latest in science and tech info, how to videos, competitions and profiles on women in tech to inspire you! If you would like to sign up to the monthly digest, email your name, grade, date of birth, school name and postcode to jia@robozogs.org

Do you need to sit the UMAT? The term UMAT stands for Undergraduate Medical and Health Science Admissions Test. If you are looking to enrol in Medical or specific Health Science programs then you may need to undertake the UMAT. In 2010, applicants for selected programs in Medicine, Medical Laboratory Science, Physiotherapy, Dental Surgery, Dental Science, Oral Health, Optometry and Pharmacy had to sit the UMAT as part of the selection process. To find out whether you need to sit the UMAT, check the following website regularly- http://umat.acer.edu.au

If you would like to undertake a preparation program for the UMAT test, companies such as Med Entry and National Insti-

rute of Education run fee for service workshops up until the UMAT in July 2011. Contact them at info@MedEntry.edu.au and enquiries@nic.edu.au respectively.

Free Engineering Careers Expo: The 2011 Engineering Careers Expo will be held at Etihad Stadium at Melbourne on 31 March, 2 – 7pm. You will be able to speak to over 70 exhibitors, attend free seminars, get an insight into the engineering industry, get professional development and career advice, and discover recruitment opportunities. For more information, go to www.engineeringexpo.org.au

‘Get Real’ Experience School Holiday Programs - Engineering: If you are in years 10 – 12 and are passionate about Science and Engineering, you have the opportunity to attend a ‘Get Real Experience School Holiday Program’ at RMIT in your area of interest. You can register for any of the following: Environmental Science and Engineering (field work included), Experience Electrical and Computer Engineering, Experience Aerospace, Mechanical and Manufacturing Engineering, Experience Computing and Information Technology. For event dates and to register for notifications regarding program updates, please visit www.rmit.edu.au/seh/experience. Contact Clare Russell at 03 9925 3699, clare.russell@rmit.edu.au

Get Real Experience School Holiday Programs- Health: If you are in years 10 – 12 and are passionate about Health, you have the opportunity to attend a ‘Get Real Experience School Holiday Program’ at RMIT. You can register for any of the following: PE, VCE Enhancement program, Medical Laboratory visits- behind the scenes tour, Experience Health and Medical Sciences and also Nuclear Medicine Lab Visits. For event dates and to register for notifications regarding program updates, please visit www.rmit.edu.au/seh/experience. Contact Clare Russell at 03 9925 3699, clare.russell@rmit.edu.au

If you would like the complete Weekly Career News emailed, please contact leverett.lucinda.r@edumail.vic.gov.au to be added to the mailing list.
Student Exchange

– Memories and Skills for a Lifetime!

World Education Program (WEP) Australia is now accepting applications from students to participate in 2011/12 exchange programs for a summer, semester or year. Students can choose from 26 destinations to study and experience life with a carefully selected host family.

We have been so impressed with WEP - the thorough organisation prior to the exchange and the regular contact with our daughter and both families during the exchange. We have always felt fully informed and confident with the whole program.

An exchange such as this can be emotionally challenging for all concerned - WEP eased our concerns through their professional management of every aspect of this journey.

Maree, teacher and mother of student to France

Exchange students return to Australia with maturity, confidence, and in many cases, proficiency in another language. If learning another language is not for your child, excellent programs to the USA, Canada, Ireland and the UK are also available.

Become a WEP Host Family! Experience the joys of hosting an exchange student and gaining an international family member.

Find out More!

Attend one of WEP’s information evenings or go online at www.wep.org.au to find out more. Scholarships to Italy and French-speaking Belgium and Early Bird Specials are now available for programs commencing in January 2012!

Ticket Prices

- Adults—$20
- High School students—$10
- Primary Students—$5
- FAMILY TICKETS
  (2 ADULT AND CHILDREN) — $90

Are you the parent or carer of a child or children aged 2 – 10 years?

Are you looking for ways to have more positive communication
With your child/ren?

Do you have other commitments that prevent you from attending regular group parenting courses?

Well, how about this?

We are running a fantastic parenting program for parents, grandparents and carers of children aged 2 – 10 years that you can do from the comfort of your own home.

It is called the Positive Parenting Telephone Service and you get a weekly telephone appointment at a time that suits you (day or evening) with a trained parent educator for 6 – 10 weeks.

Our program educators aim to assist you in developing a stronger and more positive relationship with your children, as well as offering some practical suggestions on how to manage everyday behaviour problems such as disobedience, temper tantrums and disruptive behaviours.

Interested?

SWIMMING CARNIVAL

This year’s annual House Swimming Carnival was a fantastic day with the conditions perfect and the colours, competing to the best of their ability and cheering each other on. The teams aggregate was closely contested but once again ‘Mighty Mitta’ was the power house on the day. A big thankyou goes out to all competitors, house captains, staff, parents and the swimming club who were involved on the day.
