## Rules and expectations regarding valuables, laptops, phones etc.

Dear Parents/ Guardians,

Increasingly students bring valuable items to school. While the school and staff exercise great care, neither the school nor individual staff are responsible for these valuables. Students are provided with a locker and a combination lock and students should ensure lockers remain securely locked and they do not share their combination code with others.

There are specific school rules in this area:

### **Mobile Phones:**

Mobile phones are not to be brought to school. Phones required for use after school use should be placed in the General Office and collected after school.

**Phones confiscated must be collected by a parent/guardian.**

### **Laptops and similar devices:**

The school has moved to a Bring Your Own Device (BYOD) program. The school provides secure lockers for storage of such devices. However the student is responsible for looking after the device.

The school recommends the family having insurance for such a device being lost, stolen or damaged.

### **Other valuables including cash:**

Apart from small amounts of money for use in the Canteen, the school recommends students do NOT bring cash or valuables such as jewellery to school. If for any reason valuables or cash are brought to school, we recommend that they be taken to the General Office for safe-keeping.

While the school will assist in trying to recover lost or stolen valuables, we are not responsible for such losses.

Yours sincerely

Phil Rogers  
Principal
