

LUNCH PASS—APPLICATION

Town students who wish to go **home** for lunch on a regular basis (ie. most days of the week), are asked to return the note below to the Assistant Principal by the last week in February of the school year required. The note must be signed by the student's parent or guardian.

A Lunch Pass does not entitle a student to leave the grounds to purchase lunch at a business in town.

Students without a Lunch Pass may go home for lunch but are required to bring a note from a parent or guardian **for each particular occasion**. The School will not accept responsibility for students who leave the grounds without permission.

Students are **not** to take any other student/s to their home for lunch under any circumstance.
