Student requests

Often we can order books at students' request. Please see me in your Library to discuss.

Volume!

There are only 2 choices of volume: Silent or "inside library voices", aka whispering! Noise level in your Library is to stay consistent with allowing everyone to **READ**.

Borrowing restrictions

Some Fiction books are restricted to borrowing for *Year 9 and above* only. However, we have hundreds of excellent titles available in our many collections.!

Library Overdue Notices

...will be handed out at most YLAs. Come & see us if you have lost, misplaced or damaged a resource, so that we can organise a replacement. Long overdue resources will incur an Invoice, posted home.

Returning books

Come in to the Library, or use the return shute via the corridor.

You have access to many **resources** and **information** via our **website**, so **please get into the habit of accessing it EVERY DAY!** Check your Student Daily Bulletin each morning.
