3rd November 2021

Dear parents and carers;

I have been contacted by the Vaccination Hub in Wodonga asking if we require any assistance regarding student vaccinations.

They are willing to offer a vaccination clinic at the School for students if there is a need for this service.

The service would be open to all students aged 12 and over.

The School would be able to access consent forms via email to distribute to families.

In order to gauge interest, please email the School at rutherglen.hs@education.vic.gov.au

I will then inform the Vaccination Hub of the level of interest and they can decide if it is worthwhile setting up a vaccination clinic here at Rutherglen High School.

Please don't hesitate to contact me if you have any concerns or questions.

Regards,

Phil Rogers
Principal

Sample Email:

My child/ren would take up the offer to be vaccinated at a Rutherglen clinic.
