Thursday 20th October 2022

Dear parents and guardians,

As you would probably be aware, I will be taking approved leave for Semester 1, 2023.

As a result, the Department of Education and Training has undertaken a process to find an acting principal for this time.

I am pleased to announce that **Cassandra Walters** has been provisionally appointed as the Acting Principal, (subject to any grievance process), commencing January 27th 2023.

Cassandra is currently the Campus Principal at Wodonga Senior Secondary College (WSSC) and comes to us with a wealth of leadership knowledge and experience.

Aside from her substantive role at WSSC, Cassandra has recently undertaken acting principal roles at Belvoir Special Development School and Corryong College.

We will arrange a time when Cassandra can visit the school and meet staff, students and families but, until then, I know you will join me in congratulating Cassandra on her appointment to this important role.

Regards

Phil Rogers

Principal
