Dear Parent/Guardian,

Rutherglen High School is looking forward to another great year of teaching and learning and would like to advise you of our voluntary financial contributions for 2023.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your past and future support, this has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us a wider offering of subjects and special curriculum experiences and enhanced digital learning opportunities.
