Dear Rutherglen High School Community,

I am thrilled to introduce myself as the new principal of Rutherglen High School. I am honoured to have the opportunity to lead such a respected school, and I am excited to work with the students, staff and community to continue the school's tradition of excellence.

I come to Rutherglen with a wealth of experience in education, having served as a teacher, leader and principal in 5 previous Victorian schools. My passion for education is rooted in my belief that every student has the potential to succeed, and that it is the role of educators to provide the support and resources necessary for students to reach their full potential.

I am committed to creating an inclusive and welcoming environment for all students, and I will work to ensure that every student has access to the opportunities and resources they need to succeed. I also believe in the importance of involving the community in the education process, and I look forward to working with all of you to build a strong and supportive school environment.

I am eager to meet each and every one of you, and I look forward to working together to make Rutherglen High School an even better place for our students to learn and grow.

I am excited to meet all of our students on Monday 30th January at 8.50 am for a whole school assembly in the Community Centre.

Sincerely,

Cassandra Walters

Acting Principal of Rutherglen High School
